CURRICULUM VITAE OF THE COURSE INSTRUCTOR

First and last name and title of instructor	Assistant professor Jovana Zoroja
The course he/she teaches in the proposed study programme	„Simulation Games for Managers“
1. GENERAL INFORMATION ON COURSE TEACHER/INSTRUCTOR	
1.1. e-mail address	jzoroja@efzg.hr
1.2. Personal web page	www.efzg.hr/jzoroja
1.3. Year of birth	1983
1.4. Scientist ID	295814
1.5. Date of last rank appointment	Assistant professor since 2016
1.6. Area and field of election into research	Area: social sciences; field: information and communication sciences, information systems
2. INFORMATION ON EMPLOYMENT	
2.1. Institution(s) where employed	2007 - now Faculty of Economics and Business, University of Zagreb
2.2. Date of employment at FEB Zagreb	May 15th, 2007
2.3. Field of research	Simulation Modelling and Simulating Games, Business Information Systems, Data Mining
2.4. Function	2013 – now Member of Editorial Board of the journals: Business Systems Research and Management Development
3. INFORMATION ON EDUCATION AND PROFESSIONAL ACTIVITIES	
3.1. Degree	PhD Business Informatics, Faculty of Economics and Business, University of Zagreb, Croatia (2013); Research seminar „IS Research Methods“, Doctoral study program at School of Economics and Business Sarajevo, University of Sarajevo, Bosnia and Herzegovina, 03/2011; Specialist postgraduate study programme in Information management, Faculty of Economics and Business Zagreb, University of Zagreb, Croatia, (2009); Course “Business Development and ICT Innovation”, Summer school at London School of Economics, London, UK, 07/2008; Education programme for teaching and research assistants in psychology, didactics, rhetoric, computer science and the Croatian language, Faculty of Humanities and Social Sciences Zagreb, University of Zagreb, Croatia, 09-12/2007; B.Sc. Hotel Management, Faculty of Tourism and Hospitality Management, University of Rijeka, Croatia, 2007
3.2. Membership in international institutions	Member of Croatian Operational Research Society (2009-present) Member of Croatian Interdisciplinary Society (2011-present)
3.3. Professional activities	<ul style="list-style-type: none"> - Researcher of the project: Process and Business Intelligence for Business Performance, funded by the Croatian Science Foundation, 2015-2019; - Researcher of the Research support project University of Zagreb "The role of information and communication technologies for increasing competitiveness of organizations", funded by University of Zagreb, 2015; - Researcher of the Research support project University of Zagreb "Modelling of actual determinants of competitiveness in economy of the Republic of Croatia using decision support methods", funded by University of Zagreb, 2014; - Researcher of the Research support project University of Zagreb "The role of knowledge discovery in data bases for increasing competitiveness of organizations", funded by University of Zagreb, 2013-2014; - Researcher of the bilateral Croatian-Montenegro project "Intelligent systems and innovations in tourism", funded by Croatian Ministry of Science, 2013-2014; - Researcher of the FP7-ICTSME project "Methodology and supporting toolset advancing embedded systems quality", 2010-2014;
