

International Trophy of Student Talents Invitation Letter

INVITATION - TITE

Dear students,

As the biggest frenchspeaking university worldwide, Aix-Marseille University is glad to invite you to the first **Trophée International des Talents Etudiants (TITE)**, the 1st international university tournament organized in Marseille from the 3rd to the 5th of June 2017.

Our wish is to gather more than 1000 students during 3 days, around four different kind of activities (artistic, cultural, funny and sporting). We aim to offer you an event where each student is going to be able to prove its skills in its own field.

As the 2017 European Capital of Sport, the city of Marseille offers awesome conditions to host such an event. The TITE will be hosted in the middle of the National Parc « Les Calanques », an international touristic spot.

INVITATION - TITE

This event is realized in partnership with the Stade Marseillais Université Club –a multi-sport club-, the Comité Régional du Sport Universitaire and a lot of student associations from Aix-Marseille University.

The TITE's goal is to promote varsity sports through several fields. This tournament between Universities and Colleges is not for sporting students only. Everyone can express itself. We want to offer a lot of different activities allowing each students to fight for its own team. Fair-play will be the key word of this event. We also want to encourage meetings and exchanges between students from different countries, with different cultures in one of the most touristic place in France

Everybody is a genius. But if you judge a fish by its ability to climb a tree, it will live its whole life believing that it is stupid..
